

### REMARKS

The application has been reviewed in light of the Office Action dated April 10, 2007. The present communication is believed to be a full and complete response to that Office Action.

Claims 1-5 were pending in the present application prior to entry of the present amendments. By the present Office Action, Claim 1 has been rejected, Claims 2-4 had been objected to as allowable dependent claims, and Claim 5 had been allowed. By the present amendment, Claim 1 has been amended to include the limitations of allowable Claim 2, which has been cancelled. Upon entry of the present amendment, Claims 1, and 3-5 are present.

By incorporating the subject matter of allowed Claim 2, Claim 1 is now in condition for allowance. While Claim 3 had been indicated allowable as a dependent claim, it is noted that Claim 3 is in fact an independent claim. In a telephone conversation on Monday, May 14, 2007 with Applicant's representative Jay Ryan, Examiner Shand confirmed that independent Claim 3 remains allowable as indicated in the Office Action.

### **I. SUMMARY OF THE AMENDMENTS**

The amendments to the application are fully supported in the original Specification. No new subject matter has been added.

#### ***In the Claims***

Claim 2 is cancelled without prejudice.

Claim 1 is amended.
